## NEWSLETTER – “KGP CONNECT”

VOLUME- I  
MARCH 2024

### Message from Chief Editor's Desk

#### *Unveiling the Sixth Edition of Our Newsletter*

Dear Valued Readers,  
I am pleased to announce the release of the sixth edition of our newsletter. This edition is packed with exciting news and updates that we hope you will find informative and engaging.

We are committed to providing you with high-quality content that is both relevant and interesting. As always, we welcome your feedback and suggestions for future editions.

Thank you for your continued support, and we hope you enjoy reading this latest edition of our newsletter.

With warm regards,  
Er. Altaf Hussain Shalla  
Chief Editor

Kashmir Govt.Polytechnic College Newsletter “KGP Connect”

## Glimpses of Achievements/Notable Activities for the month of March 2024.

### ➤ Faculty Development Program on Additive Manufacturing: Collaborative Initiative by this Institution, NCAM, and NIT Srinagar.

Er. Mehraj Ud din Teli, Incharge of the Mechanical Engineering Department of this institution had the privilege to participate in a one-week Faculty Development Program (FDP) on the current trends in Additive Manufacturing Technology. This enlightening program was sponsored by the National Centre for Additive Manufacturing (NCAM), Government of India. The FDP was meticulously organized by the Department of Mechanical Engineering, National Institute of Technology (NIT) Srinagar. The event spanned from February 26, 2024, to March 1, 2024. Our faculty member was able to gain valuable insights into the latest trends and advancements in Additive Manufacturing Technology. We are confident that the knowledge acquired will significantly contribute to the academic and research.

➤ **Industrial Visit cum Awareness Camp related to Polytechnic Diploma courses/Skill Development courses for students of Government High School Bandgam Budgam at Kashmir Government Polytechnic College on 06-Mar-24.**

In an effort to promote Skill Development courses, the Kashmir Government Polytechnic College hosted an industrial tour and awareness camp for students from the Government High School Bandgam Budgam on 06-Mar-24.

The primary focus of the visit was the awareness camp, where the students were introduced to the diverse range of polytechnic courses offered by the college. The camp aimed to enlighten the students about the opportunities and career prospects in the field of polytechnic and inspire them to consider it as a viable career option.

The students were given a comprehensive tour of the college's state-of-the-art facilities and had the opportunity to interact with the faculty members. This practical exposure provided the students with a deeper understanding of the polytechnic field.

The students found the visit to be highly informative and expressed their gratitude to the college for hosting them. The visit has sparked interest among the students towards polytechnic courses and has inspired them to consider it as a viable career option.

➤ **Gani Khan Memorial Govt Higher Secondary School Check-I-Wogund Anantnag Students Gain Insightful Experience at Kashmir Govt Polytechnic College Srinagar on 09-Mar-2024.**

On March 9, 2024, a group of enthusiastic students from Gani Khan Memorial Government Higher Secondary School, Check-I-Wogund, Anantnag, embarked on an educational journey to explore the fascinating world of electronics hardware. The visit was organized under the Vocational Education Samagra Shiksha program.

Principal Kashmir Govt. Polytechnic College, Er. Altaf Hussain Shalla graced the occasion with words of wisdom, emphasizing the significance of vocational education and encouraging students to explore their potential in the field of electronics hardware.

Er. Mudasir Rashid, the Training and Placement Officer (TPO) of Kashmir Govt Polytechnic College, conducted an informative session, elucidating various aspects of the college. The visit to Kashmir Govt Polytechnic College Srinagar proved to be an enriching and enlightening experience for the students of Gani Khan Memorial Govt Higher Secondary School Check-I-Wogund Anantnag, further fueling their enthusiasm for vocational education and their aspirations in the field of Engineering.

➤ **Successful conduct of JKSSB Sub Inspector (Finance) examination on 10-Mar-2024.**

This Institution demonstrated exceptional efficiency and precision in hosting the JK SSB Sub Inspector (Finance) examination on 10-Mar-2024. This event underscores the institution's commitment to academic excellence and dedication to facilitating critical examinations with the utmost accuracy and professionalism.

➤ **Kashmir Government Polytechnic College Opens Doors to Dhobiwan High School Students: Hands-on IT/ITES Experience and Polytechnic Course Awareness.**

On 11th March 2024, students from the Government High School, Dhobiwan, visited the Kashmir Government Polytechnic College, Srinagar. The visit was aimed at gaining insights into IT/ITES under vocational education. The students had the opportunity to visit various labs, which provided them with a practical perspective of the theoretical knowledge they had acquired. The experience left the students happy and more informed about the practical aspects of their curriculum.

In addition to the lab visits, the students were also given awareness about the polytechnic admissions process, various scholarship schemes, and other relevant information. This initiative is part of our ongoing efforts to provide students with comprehensive knowledge about vocational education and to guide them in their academic journey.

➤ **Commencement of Classwork for MJ24 Session.**

The classwork for the 2nd, 4th, and 6th semesters of this Institution commenced on 11th March 2024. Students were encouraged to attend their classes regularly and adhere to the academic schedule.

➤ **Verification of Machinery and Equipment at Polytechnic Institutions.**

Expert faculty from this Institution embarked on a series of verification of Machinery and Equipment items procured by the polytechnic institutions in the Kashmir division.

➤ **Visit of Govt. High School Hayatpora Students to Kashmir Government Polytechnic College: Exploring Polytechnic Admissions and Opportunities”.**

On March 12th, 2024, a group of students from Govt. High School Hayatpora visited this Institution. The visit aimed to provide students with valuable insights into the world of polytechnic education, specifically focusing on admissions, scholarships, facilities, and career opportunities in various technical fields. The students were welcomed by the faculty and staff, who offered a comprehensive overview of the polytechnic education system. They received information about the admission process, various scholarship schemes available for students pursuing technical education, and the diverse range of courses offered by the college.

To provide a first-hand experience of the practical learning environment, the students were taken on a comprehensive tour of all the college's labs. Witnessing the advanced machinery and equipment used in these labs helped bridge the gap between theoretical knowledge and practical applications. This initiative is part of their ongoing effort to raise awareness about vocational education and career opportunities in technical fields. By exposing high school students to the world of polytechnic education, the college hopes to encourage them to explore alternative pathways for successful careers.

➤ **Govt. Boys Higher Secondary School Batwina Ganderbal Visits Kashmir Government Polytechnic College for IT/ITES Awareness and Polytechnic Exploration.**

On March 16th, 2024, a group of students from Govt. Boys Higher Secondary School Batwina Ganderbal embarked on an industrial visit to this Institution. This visit aimed to raise awareness about the exciting field of IT/ITES and explore the opportunities offered by polytechnic courses.

The faculty and staff warmly welcomed the students and provided them with a comprehensive overview of the IT/ITES industry. Through interactive sessions and presentations, students gained valuable insights into the diverse career paths available in this rapidly growing sector.

The focus wasn't solely on IT/ITES. The visit also served as an informative session on polytechnic education. Students received guidance and information on the admission process for various polytechnic courses, the range of scholarships available to support their technical education, and the state-of-the-art facilities available in the Institution.

➤ **Kashmir Government Polytechnic College Hosts Teachers of District Ganderbal facilitated through DIET Ganderbal for Awareness related to the Skill Development Department, Admission in Polytechnics and enhancing the skillset of Teachers from Ganderbal.**

In a collaborative effort to promote awareness about Polytechnic courses and enhance the skillset of educators, Kashmir Government Polytechnic College welcomed a delegation of teachers of District Ganderbal through the District Institute of Education and Training (DIET) Ganderbal on 16-03-2024. The program was aimed to:

- Promote Awareness about Skill Development Department and admissions in Polytechnics.
- Promote awareness about Polytechnic courses, Scholarship schemes, Eligibility, etc.
- Enhance the skillset of the visiting Teachers.

The visiting teachers were received by the esteemed Principal, Er. Altaf Hussain Shalla, and a distinguished panel of Heads of Departments (HODs) from various engineering disciplines. These HODs and departmental in-charges provided the teachers with a comprehensive overview of their respective departmental activities.

➤ **6<sup>th</sup> Semester Civil Engineering Students from this Institution Acquired Advanced Surveying Skills at Kashmir University Workshop held from 08-Mar-24 to 27-Mar-24.**

6th-semester Students of this Institution successfully completed an intensive Skill Enhancement Workshop on Advanced Land Surveying. The workshop, which took place at Kashmir University from March 8th to 27th, 2024, focused on the use of Remote Sensing, GPS & Total Station.

The workshop offered a comprehensive understanding of advanced surveying techniques, equipping students with the skills necessary for their future careers. It provided a blend of theoretical knowledge and practical experience in using state-of-the-art surveying technologies.

Key learning areas included:

- Remote Sensing: Understanding the application of remote sensing data in land surveying.
- GPS (Global Positioning System): Learning to use GPS technology for precise land surveying measurements.
- Total Station: Gaining proficiency in operating Total Stations for efficient data collection and surveying tasks.

The workshop emphasized hands-on learning, allowing students to operate advanced surveying equipment and conduct real-world surveying exercises. This practical approach solidified their understanding of the techniques learned. Faculty members of the Civil Engineering department accompanied the students for this workshop and provided valuable guidance to the students.

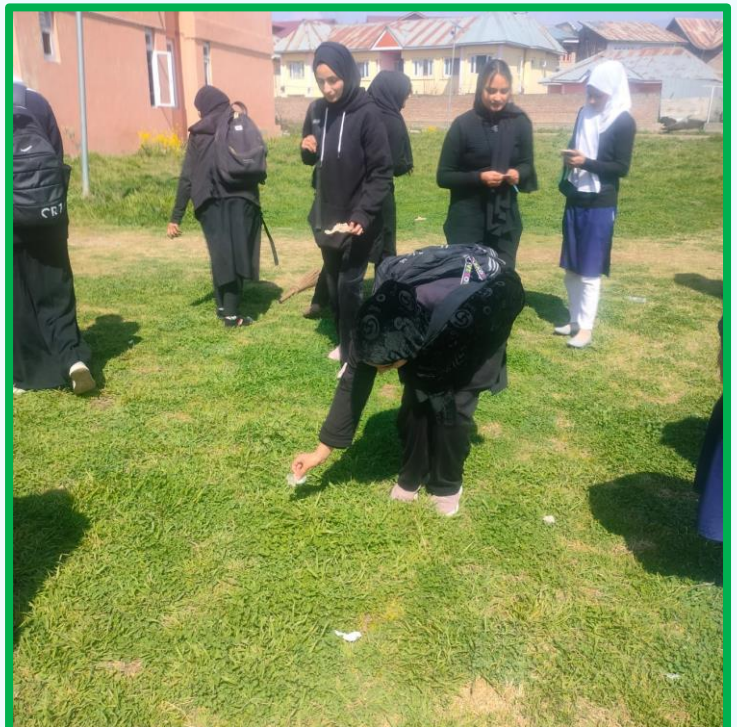

➤ **Kashmir Government Polytechnic College Facilitates Successful Conduct of JKSSB Inspector (Finance) Exam on 17-03-2024.**

The Kashmir Government Polytechnic College played a pivotal role in ensuring the smooth conduct of the Jammu and Kashmir Service Selection Board (JKSSB) Inspector (Finance) recruitment exam held on March 17th, 2024. The KGPC administration took all necessary steps to provide a conducive and well-equipped environment for the examination. This included ensuring adequate seating arrangements, proper lighting and ventilation, and a peaceful atmosphere.

➤ **Civil Engineering Department of Kashmir Govt Polytechnic College, Srinagar Initiates Campus Cleanliness Drive on 23-Mar-2024.**

The Civil Engineering Department of the Kashmir Government Polytechnic College, Srinagar, took a commendable initiative by organizing a cleanliness drive on the 23rd of March, 2024. The event saw enthusiastic participation from both students and faculty members, who came together to maintain and enhance the cleanliness of their campus.

Er. Azmat Jehan, HOD Civil Engg Department, appreciated the student's active role in maintaining the campus. She expressed his satisfaction with the student's commitment to cleanliness and their sense of responsibility towards their institution.

➤ **Students from Government Higher Secondary Utligam Beerwah Visits Kashmir Government Polytechnic College for Admission Awareness Program.**

A group of students from Government Higher Secondary Utligam Beerwah visited the Kashmir Government Polytechnic College Srinagar on 23-03-2024 for an admission awareness program. The visit was part of an admission awareness program designed to familiarize the students with the wide array of polytechnic courses offered by the Department of Skill Development and the pivotal role of technical education in the contemporary job market.

Er. Altaf Hussain Shalla, Principal Kashmir Govt. Polytechnic College welcomed the students and addressed them on the significance of pursuing technical education. He highlighted the growing demand for skilled professionals across various industries and emphasized how polytechnic courses equip students with the necessary practical knowledge and hands-on experience to excel in these fields.

Er. Mudasir Rashid, Training and Placement Officer provided the visiting students with detailed information about the admission process for polytechnic courses at the college. He also elaborated on various scholarship schemes available to support students financially during their studies.

➤ **Certificate Distribution Ceremony under the Community Development through Polytechnics (CDTP) Scheme by Principal Kashmir Govt. Polytechnic College Srinagar on 23-Mar-2024.**

The Community Development through Polytechnics (CDTP) program took a significant step forward as Er. Altaf Hussain Shalla, Principal Kashmir Govt. Polytechnic College Srinagar presided over the certificate distribution ceremony in Kashmir Govt. Polytechnic College Srinagar in the presence of Er. Ali Mohammad Khan, Coordinator CDTP scheme.

Speaking on the occasion, Er. Altaf Hussain Shalla, Principal Kashmir Govt. Polytechnic College Srinagar congratulated the successful candidates and encouraged them to use their new skills to improve their lives and the lives of their communities. He also stressed the importance of lifelong learning and urged the candidates to continue to upgrade their skills in order to stay ahead of the curve in the ever-changing job market.

➤ **Kashmir Government Polytechnic College Srinagar Holds Plantation Drive Led by Electrical Engineering Department on 25-Mar-2024.**

The Electrical Engineering Department of Kashmir Government Polytechnic College Srinagar took a significant step towards environmental sustainability by organizing a plantation drive on March 25th, 2024.

The drive witnessed enthusiastic participation from Er. Altaf Shalla, Principal of the institution, Er. Ali Mohd Khan, HOD of ECE Department, Er. Masrat Mehraj, HOD Electrical Engineering Department, Faculty of Electrical Engg Department, and a large group of students. Together, they planted a variety of trees within the college campus, contributing to a greener and healthier environment.

Er. Altaf Shalla, Principal of KGP College, commended Er. Masrat Mehraj for taking the initiative and highlighting the importance of such efforts. He emphasized the role of educational institutions in promoting environmental awareness and fostering a culture of sustainability among students.

➤ **Kashmir Government Polytechnic College Srinagar Staff Attends Election Training organized by Chief Election Officer Srinagar from 26<sup>th</sup> and 27<sup>th</sup> March 2024.**

Employees of Kashmir Government Polytechnic College Srinagar actively participated in an election training program organized by the Chief Electoral Officer (CEO) Srinagar from March 25<sup>th</sup>, 2024. The training program aimed to equip staff members with the necessary knowledge and skills to effectively discharge their duties during the upcoming elections.

The participation of college staff in this training program demonstrates their commitment to upholding democratic values and contributing to the successful conduct of elections. Their acquired knowledge and skills will be instrumental in facilitating a seamless voting experience for the electorate.

➤ **Participation of Faculty in Faculty Development Programme at CIIIT Baramulla.**

Faculty members from Kashmir Government Polytechnic College Srinagar are actively participating in the Faculty Development Programme at CIIIT Baramulla.

## ➤ Implementation of CAMIS Portal in the Institution.

The faculty and students of this institution are now actively using the CAMIS Portal. The implementation of the CAMIS Portal reflects our dedication to continuous improvement. This system will enhance service delivery for students, faculty, and staff, while empowering data-driven decision-making for the college's administration.

## ➤ Kashmir Government Polytechnic College Srinagar Faculty Earns Recognition as Skill India Trainers and Assessors.

Kashmir Government Polytechnic College Srinagar takes pride in announcing that several of its faculty members have successfully obtained dual certification as trainers and assessors under the Skill India Mission. These faculty members are now also recognized as Vishwakarma Skill Development Mission (VSDM) trainers.

This achievement signifies the college's commitment to equipping its faculty with the necessary skills and qualifications to deliver high-quality vocational training programs aligned with national skill development initiatives.

**“The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack in will.” - Vince Lombardi**
