## NEWSLETTER – “KGP CONNECT”

VOLUME- I  
JUNE -2025

### Message from Chief Editor's Desk

#### *Unveiling the 20<sup>th</sup> Edition of Our Newsletter*

Dear Valued Readers,  
I am pleased to announce the release of the 20<sup>th</sup> edition of our newsletter. This edition is packed with exciting news and updates that we hope you will find informative and engaging.

We are committed to providing you with high-quality content that is both relevant and interesting. As always, we welcome your feedback and suggestions for future editions.

Thank you for your continued support, and we hope you enjoy reading this latest edition of our newsletter.

With warm regards,

**Dr.Shafquat Ara**

Chief Editor

Kashmir Govt.Polytechnic College Newsletter “KGP Connect”

## **Glimpses of Achievements/Notable Activities for the month of June 2025**

### ➤ **Successful Conduct of SKAUST UET-2024 Examination at Kashmir Government Polytechnic College.**

Kashmir Government Polytechnic College, Srinagar, successfully hosted the SKAUST UET-2024 Examination on June 01, 2025. The examination was conducted smoothly, ensuring a fair and organised process for all aspiring candidates. Under the meticulous arrangements made by the institution, candidates appeared for the entrance test in a conducive environment, with strict adherence to examination protocols. Faculty members, administrative staff, and examination officials worked diligently to facilitate the examination, ensuring seamless coordination and management.

### ➤ **Kashmir Government Polytechnic College Srinagar Participates in Entrepreneurship Mela at Kashmir Haat on 14-06-2025.**

The staff of Kashmir Government Polytechnic College, Srinagar, made a significant impact through their active participation in the Entrepreneurship Mela held at Kashmir Haat on June 14, 2025. The event, organized under the Mission YUVA initiative by the district administration Srinagar in collaboration with the District Employment & Counselling Centre, Srinagar, aimed to sensitize and engage potential entrepreneurs in the region.

The delegation from Kashmir Government Polytechnic College was led by Er. Mudasir Rashid, Training and Placement Officer, under the able guidance and supervision of Dr. Shafquat Ara, Principal of the institution. The team comprised faculty members from all branches of the college, including Civil Engineering, Mechanical Engineering, Electrical Engineering, Electronics and Communication Engineering and more.

➤ **Kashmir Govt Polytechnic College Srinagar Successfully Concludes 5th and 6th Semester Examinations.**

Kashmir Govt Polytechnic College Srinagar is pleased to announce the successful and smooth conclusion of its 5th and 6th-semester examinations for the MJ25 Session. The examinations saw comprehensive participation from students across various branches, reinforcing the institution's commitment to academic rigor and integrity.

➤ **Kashmir Govt Polytechnic College Srinagar Achieves 100% Syllabus Completion for 2nd and 4th Semesters.**

Kashmir Govt Polytechnic College Srinagar is proud to announce the successful completion of 100% of the syllabus for its 2nd and 4th-semester students for the MJ25 Session. This significant achievement underscores the institution's unwavering commitment to academic excellence and timely delivery of comprehensive education.

The dedicated efforts of the faculty members and the proactive engagement of students have ensured that all prescribed curriculum topics for these semesters have been thoroughly covered. This milestone is crucial as students prepare for their upcoming examinations, ensuring they have received all necessary knowledge and skills.

➤ **Kashmir Govt Polytechnic College Srinagar Successfully Conducts Sessional 2nd Examination for 4th Semester.**

Kashmir Govt Polytechnic College Srinagar is pleased to announce the successful conclusion of the Sessional 2nd Examination for its 4th-semester students across all branches.

➤ **Kashmir Govt Polytechnic College Srinagar Successfully Completes Practical Work for 2nd and 4th Semesters.**

Kashmir Govt Polytechnic College Srinagar is pleased to announce the successful completion of all practical work and laboratory sessions for its 2nd and 4th-semester students across all engineering and diploma branches for the academic session MJ25. This achievement marks a significant milestone in the students' hands-on learning and skill development.

The practical components of the curriculum are vital for reinforcing theoretical knowledge and developing essential vocational skills. The successful completion of these sessions reflects the institution's commitment to providing comprehensive, application-oriented education. Students engaged in a wide range of experiments, workshops, and projects, gaining invaluable practical experience relevant to their fields of study.

➤ **Kashmir Govt Polytechnic College Srinagar Highlights Participation in Cybersecurity Seminar at SKICC.**

Kashmir Govt Polytechnic College Srinagar is proud to announce the active participation of its female faculty members and two bright girl students in a recent seminar on cybersecurity. The seminar, held at the prestigious Sher-i-Kashmir International Conference Centre (SKICC), provided invaluable insights into the evolving landscape of digital security.

The college believes in fostering a strong understanding of cybersecurity among its academic community, recognizing its critical importance in today's technologically driven world. The attendance of female faculty and students at this prominent event underscores the institution's commitment to empowering women in technology and promoting their involvement in cutting-edge fields.

➤ **Completion of Small Biogas Plant Project by Electrical Engineering Students.**

A group of Students from 6th-semester Electrical Engineering have completed Small Biogas Plant Project. This innovative project was brought to fruition under the expert supervision and guidance of mentor Ms. Masrat Mehraj.

The biogas plant project is a significant achievement, showcasing the students' practical application of theoretical knowledge in sustainable energy solutions. This initiative aligns with the college's commitment to promoting hands-on learning, fostering innovation, and contributing to environmental sustainability through renewable energy technologies. The plant's completion demonstrates the students' technical proficiency, problem-solving skills, and teamwork.

➤ **Kashmir Govt Polytechnic College Srinagar's 6th Semester Electrical Engineering Students Spearhead Successful Cleanliness Drive.**

Kashmir Govt Polytechnic College Srinagar is proud to announce the successful organization and execution of a cleanliness drive by its dedicated 6th-semester Electrical Engineering students on 26-06-2025. This initiative, demonstrating the student's commitment to social responsibility and environmental stewardship, aimed at fostering a cleaner and healthier campus environment.

The cleanliness drive saw enthusiastic participation from the students, who volunteered their time and effort to clear litter, improve waste management, and enhance the overall aesthetic appeal of the college premises.

- **Kashmir Govt Polytechnic College Srinagar Announces Placement of Two IT Students from the Outgoing Batch.** Kashmir Govt Polytechnic College Srinagar is thrilled to announce the successful placement of two students from its outgoing 6th-semester Information Technology (IT) batch. This achievement highlights the institution's commitment to nurturing industry-ready talent and facilitating excellent career opportunities for its Diploma Holders.

➤ **Kashmir Govt Polytechnic College Srinagar Organizes Career Counselling Session by Mr.Ishfaq from IIT Hyderabad.**

Kashmir Govt Polytechnic College Srinagar successfully organized a valuable career counselling session for its 4th and 6th-semester Electrical Engineering students on June 2nd. The session was conducted by Mr. Ishfaq Ahmad, a distinguished student from IIT Hyderabad, providing students with insightful guidance on their future academic and professional paths.

This initiative underscores the college's commitment to equipping its students with not only strong technical knowledge but also the necessary foresight and direction for their careers. Mr. Ishfaq Ahmad's personal experiences and academic journey at a premier institution like IIT Hyderabad offered the students a unique and inspiring perspective on higher education and career opportunities in the field of Electrical Engineering.

➤ **Kashmir Govt Polytechnic College Srinagar Faculty Successfully Completes Course on Electronics Waste Management in India.**

The faculty member of this Institution has successfully completed a specialized course focused on Electronics Waste Management in India. This accomplishment underscores the institution's commitment to continuous professional development, staying abreast of critical environmental challenges, and fostering sustainable practices.

## **Kashmir Govt Polytechnic College Srinagar Undertakes Comprehensive Cleanliness Drive for Sumps and Water Tanks Under the Guidance of Dr. Shafquat Ara, Principal.**

Kashmir Govt Polytechnic College Srinagar is pleased to announce the successful completion of a comprehensive cleanliness drive focused on the institution's sumps and water tanks. This proactive initiative, undertaken under the esteemed guidance of Dr. Shafquat Ara, Principal, underscores the college's unwavering commitment to ensuring the health, hygiene, and well-being of its students and staff by maintaining pristine water infrastructure.

The drive involved a thorough cleaning, disinfection, and maintenance of all water storage facilities within the college premises. This critical activity was undertaken to ensure the supply of clean and safe drinking water, crucial for a healthy campus environment. The meticulous planning and execution of this initiative reflect the college's dedication to upholding the highest standards of sanitation.

➤ **Kashmir Govt Polytechnic College Srinagar's Wood Tech Department Undertakes Initiative to Repair Wooden Chairs Under the Guidance of Principal Dr. Shafquat Ara.**

Wood Technology Department of Kashmir Govt Polytechnic College Srinagar has undertaken a significant initiative by undertaking the task of repairing and restoration of all lying wooden chairs within the college premises. This project, executed under the esteemed guidance of Principal Dr. Shafquat Ara, highlights the department's practical skills, commitment to resource optimization, and contribution to maintaining college infrastructure.

➤ **Hon'ble MLA Mr. Ahsan Pardesi of Lal Chowk Constituency Visits Kashmir Government Polytechnic, Srinagar.**

The Kashmir Government Polytechnic, Srinagar, was privileged to host a visit by Hon'ble MLA Mr. Ahsan Pardesi of Lal Chowk Constituency on Monday, June 30, 2025. The visit highlighted the institution's ongoing developmental initiatives and provided an opportunity to address the challenges faced by its students and staff of the institution.

Hon'ble MLA Mr. Ahsan Pardesi was warmly welcomed by the Principal, Dr. Shafquat Ara, along with the Heads of Departments (HODs) and other in-charges of the institution. He was given a comprehensive tour of the campus, including classrooms, laboratories, hostels, and other key facilities, offering insight into the institution's academic and infrastructural environment.

During the visit, Dr. Shafquat Ara briefed Mr. Ahsan Pardesi on the various developmental activities underway at the polytechnic, aimed at enhancing technical education and equipping students with modern facilities for skill development. The Principal also apprised the MLA of the challenges faced by the institution, including those related to infrastructure, resources, and student support systems.

➤ **Industrial Visit by 6th Semester Computer Engineering Students to KCET(Kashmir College of Engineering and Technology).**

The 6th semester students of the Computer Engineering Department, accompanied by their faculty, participated in a highly informative industrial visit to Kashmir College of Engineering and Technology (KCET) on 30-June-2025. The visit offered students a unique opportunity to explore cutting-edge technologies and gain practical insights into industry practices, effectively bridging the gap between theoretical knowledge and real-world applications.

During the visit, students toured advanced laboratories at KCET and engaged with industry professionals, deepening their understanding of emerging trends in computer engineering. The well-organized visit provided a platform for students to observe the practical implementation of concepts studied in their curriculum.

The students extended their sincere gratitude to Dr. Shafquat Ara, Principal of KCET, for her exceptional support in making the visit possible. Her dedication to fostering collaboration between academia and industry was highly appreciated by both students and faculty.

The visit concluded with students inspired to apply their newfound knowledge to their academic projects and future endeavors. The faculty also praised KCET for its commitment to advancing technical education and innovation.
