NEWSLETTER – “KGP CONNECT”

VOLUME- I
JULY-2025

Message from Chief Editor's Desk

Unveiling the 21st Edition of Our Newsletter

Dear Valued Readers,
I am pleased to announce the release of the 21st edition of our newsletter. This edition is packed with exciting news and updates that we hope you will find informative and engaging.

We are committed to providing you with high-quality content that is both relevant and interesting. As always, we welcome your feedback and suggestions for future editions.

Thank you for your continued support, and we hope you enjoy reading this latest edition of our newsletter.

With warm regards,

Dr.Shafquat Ara

Chief Editor

Kashmir Govt.Polytechnic College Newsletter “KGP Connect”

Glimpses of Achievements/Notable Activities for the month of July-2025

➤ **Certificate Distribution Ceremony at KMTTMI.**

Kashmir Motors Technical Training & Management Institute (KMTTMI), Samandar Bagh, Srinagar, hosted a certificate distribution ceremony on 07-07-2025, to honor Kashmir Government Polytechnic College students who successfully completed their training programs. The event celebrated the student's achievements and their readiness to excel in their chosen fields.

Dr. Shafquat Ara, Principal of Kashmir Government Polytechnic College, Srinagar, was the chief guest and distributed certificates to the students. In her address, she praised the students for their hard work and urged them to leverage their skills for innovation and societal progress.

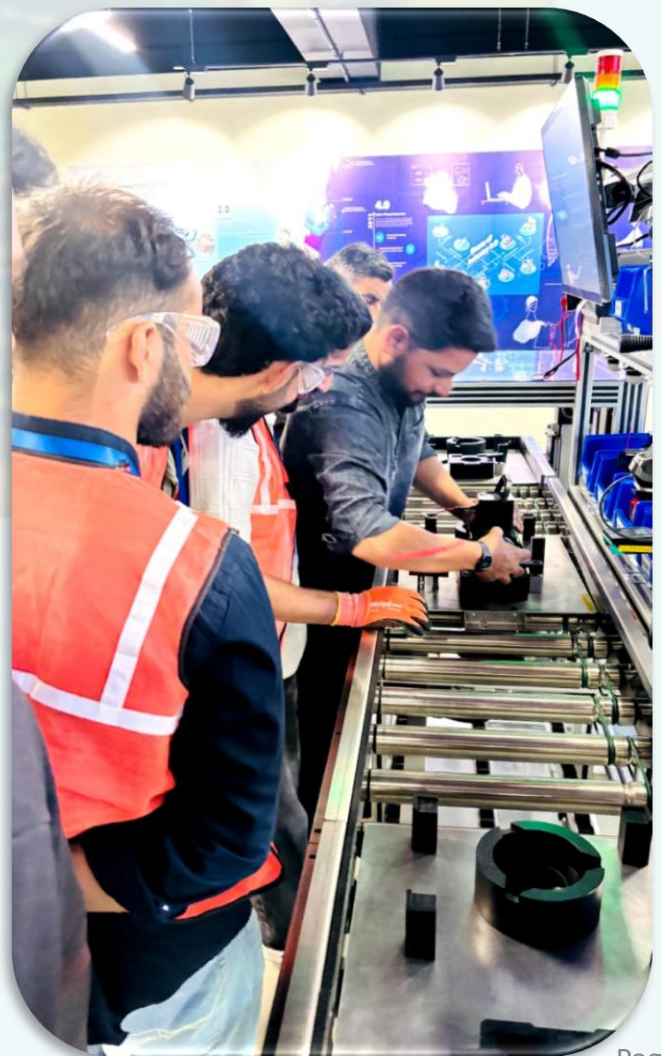

➤ **One day Industrial Visit of 6th Semester Mechanical Engineering Students to iFACTORY LAB of Islamic University of Science and Technology, Pulwama on 03-07-2025.**

A group of 6th-semester Mechanical Engineering students from Kashmir Government Polytechnic College, Srinagar, embarked on an enriching one-day industrial visit to the iFACTORY LAB at the Islamic University of Science and Technology (IUST), Pulwama, on 03-07-2025. The visit was Organised to provide students with hands-on exposure to cutting-edge technologies and practical applications relevant to their field of study.

The delegation was led by Er. Mehraj U Din Teli, Incharge Mechanical Engineering Department who spearheaded the initiative with enthusiasm and expertise. Accompanying the students were esteemed faculty members, including Er. Bilal Ahmad Khan, Er. Raies Ahmad Khan, Er. Shahnawaz Mohd, and Mr. Bhat Basharat.

➤ **Kashmir Government Polytechnic College Srinagar and MSME Partner for Student Skill Development.**

Kashmir Government Polytechnic College Srinagar and the MSME Technology Development Centre, Extension Centre Srinagar, officially signed a Memorandum of Understanding (MOU) on 14-07-2025. This partnership aims to boost student skills, encourage entrepreneurship, and provide valuable industry exposure.

Dr. Shafquat Ara, Principal of Kashmir Government Polytechnic College Srinagar, and Dr. Ashwin Dhivakar, Assistant Director of MSME, signed the MOU. This five-year agreement will help bridge the gap between academic learning and real-world industry demands.

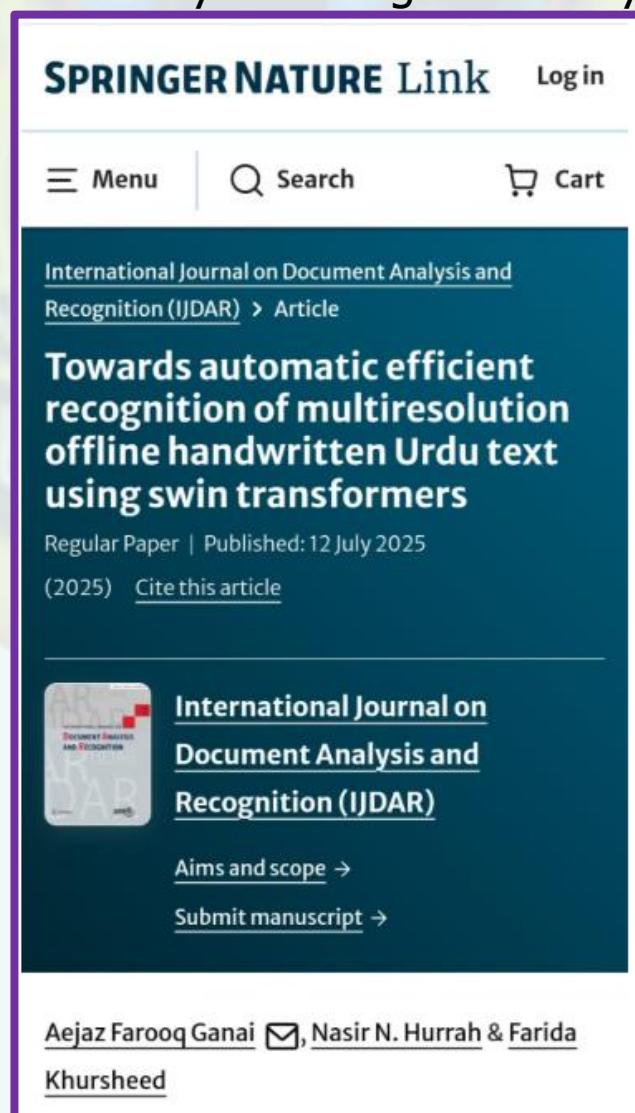

Key faculty members from Kashmir Government Polytechnic College Srinagar, including Er. Mudasar Rashid (Training and Placement Officer), Er. Ali Mohammad Khan (HOD, Electronics and Communication Engineering), Er. Tahir Amin Wani (HOD, Wood Technology), and Er. Inhas Ashraf (Incharge, Information Technology), were also present.

➤ **Publication by Dr. Aeja Farooq at IJDAR.**

Dr. Aeja Farooq, faculty of this institution along with co-authors Nasir N. Hurrah and Farida Khurshid, has achieved a significant milestone with the publication of their research paper titled "Towards automatic efficient recognition of multiresolution offline handwritten Urdu text using swin transformers" in the prestigious International Journal on Document Analysis and Recognition (IJDAR). The article, published on July 12, 2025, marks a notable contribution to the field of document analysis and recognition.

This publication highlights innovative advancements in recognising handwritten Urdu text, leveraging Swin Transformers for enhanced efficiency. Dr. Farooq, a renowned academic, continues to drive cutting-edge research, bringing recognition to the academic community in Srinagar and beyond.

➤ **One day Industrial Visit of 4th and 6th Semester Electrical Engineering Students to Lower Jhelum Power Plant, Baramulla on 02-07-2025.**

A group of enthusiastic Electrical Engineering students from this institution embarked on a one-day industrial visit to the Lower Jhelum Hydroelectric Power Plant in Baramulla. The visit, aimed at providing students with invaluable practical exposure to the workings of a large-scale power generation facility, was a resounding success. The Lower Jhelum Power Plant, with its impressive 105 MW capacity, houses three generators, each contributing 35 MW to the regional power grid. The students, accompanied by Ms. Masrat Mehraj, Head of Department (HOD) of Electrical Engineering, along with other dedicated teaching and non-teaching staff, were given a comprehensive tour of the facility. During the visit, students had the opportunity to observe the various stages of electricity generation, from the intake of water to the operation of the turbines and generators.

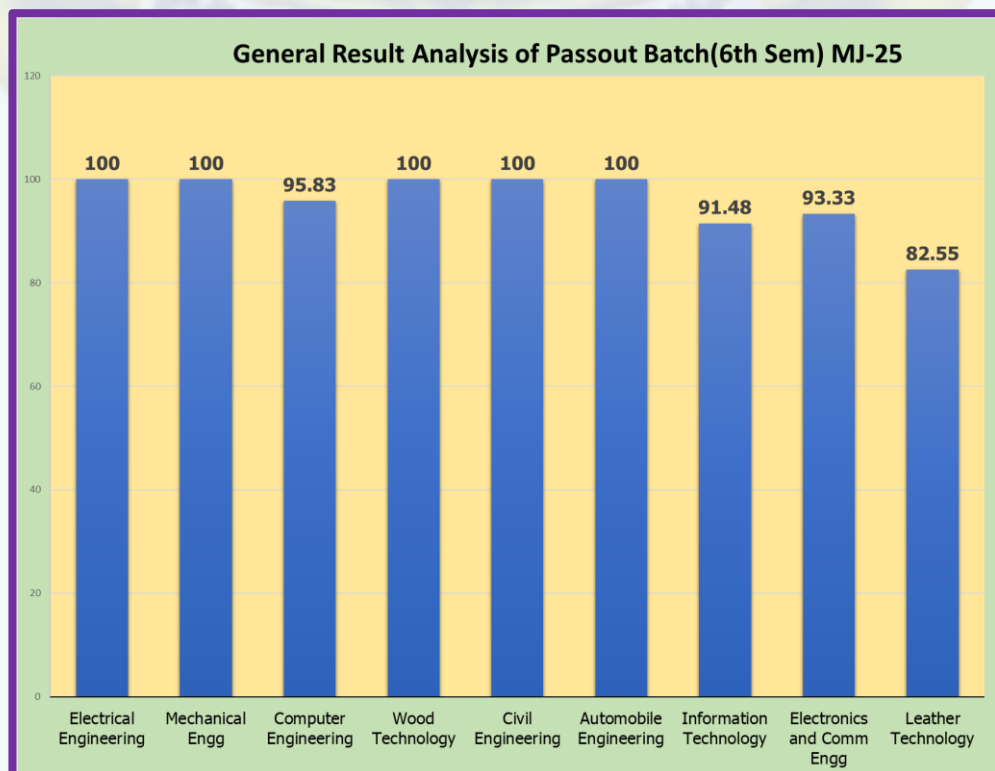

JKSPDC 3X35MW LJHP SALIENT FEATURES OF POWER HOUSE	
WATER CONDUCTER	
Shape of Channel	Trapezoidal
Length of Channel	9-0 Km
Discharge Capacity	7700 Cusec
PENSTOCK	
Type	Circular Sheet Anchored
Diameter	4.5 Metres/each
No of Penstocks	3no.
TURBINE	
Type	Francis Vertical Shaft
Output	35000 KW
Max Head	67 M
Rated Head	31 M
Speed	214.3 RPM
Make	BHEL
GENERATOR	
Capacity	39000 KVA
Speed	214.3 RPM
Stator	11000 V/2050 A
Rotation	Anticlockwise
Pf	0.9
Frequency	50 C/S
Make	BHEL
COMMISSIONING OF UNITS	
Unit 1st	1970
Unit 2nd	1979
Unit 3rd	1979
Generation Voltage	11 KV
Evacuation Voltage	132 KV
Design Energy

➤ **Kashmir Government Polytechnic College Achieves 100% Admission Intake Capacity.**

Kashmir Government Polytechnic College, Srinagar, is proud to announce the successful completion of its admission process, with 100% of its intake capacity seats filled. This remarkable achievement highlights the institute's growing popularity and the trust it has earned among students seeking quality technical education.

➤ **450+ Students of Kashmir Government Polytechnic College Register on Mission YUVA App.**

Kashmir Government Polytechnic College, Srinagar, is thrilled to announce that over 450 students have successfully registered on the Mission YUVA app and selected their preferred courses. This significant milestone reflects the institution's proactive engagement with the initiative aimed at fostering entrepreneurship and skill development among the youth.

The students have embraced this opportunity to enhance their technical and entrepreneurial skills, aligning with the college's mission to prepare a skilled workforce for the future.

➤ **5th Semester Students Embark on Industrial Training Across Companies and Departments.**

Kashmir Government Polytechnic College, Srinagar, has initiated a significant step in its curriculum by sending all 5th semester students for industrial training to various companies and departments. This move, part of the Industrial Training of Students program, aims to provide hands-on experience and enhance practical skills.

As part of their academic journey, students will engage with industry professionals, gaining valuable exposure to real-world technical environments. This initiative underscores the college's commitment to bridging the gap between theoretical learning and industrial application, preparing students for successful careers.

➤ **Kashmir Government Polytechnic College Initiates Repair Works.**

Kashmir Government Polytechnic College, Srinagar, has commenced repair works across its campus as part of the ongoing efforts to enhance infrastructure under the Repair Works in the Institution program. The initiative aims to ensure a safe and conducive learning environment for students and staff.

➤ **Principal and Faculty Participate in Workshop on "Transforming Skilling Ecosystem".**

The Principal and faculty members of Kashmir Government Polytechnic College, Srinagar, actively participated in the workshop on "Transforming Skilling Ecosystem," held at SKICC on July 16 and 17, 2025. The event brought together education leaders to discuss innovative approaches to skill development.

The workshop provided valuable insights into modern training methodologies and industry alignment, enriching the participants' expertise. This engagement underscores the college's dedication to enhancing its skilling programs and preparing students for a dynamic job market.

➤ **Kashmir Government Polytechnic College Successfully Conducts 2nd and 4th Semester Theory Examinations of MJ25.**

Kashmir Government Polytechnic College, Srinagar, successfully conducted the 2nd and 4th semester theory examinations for the MJ25 batch. The examinations, held with meticulous planning and coordination, concluded smoothly, reflecting the institution's commitment to academic excellence.

➤ **Two Faculty Members of Kashmir Government Polytechnic College Selected as Resource Persons for Mission YUVA.**

Kashmir Government Polytechnic College, Srinagar, is proud to announce that two of its esteemed faculty members have been selected as Resource Persons for Mission YUVA (Yuva Udyami Vikas Abhiyan). This recognition highlights the institution's strong expertise in youth empowerment and entrepreneurship development.

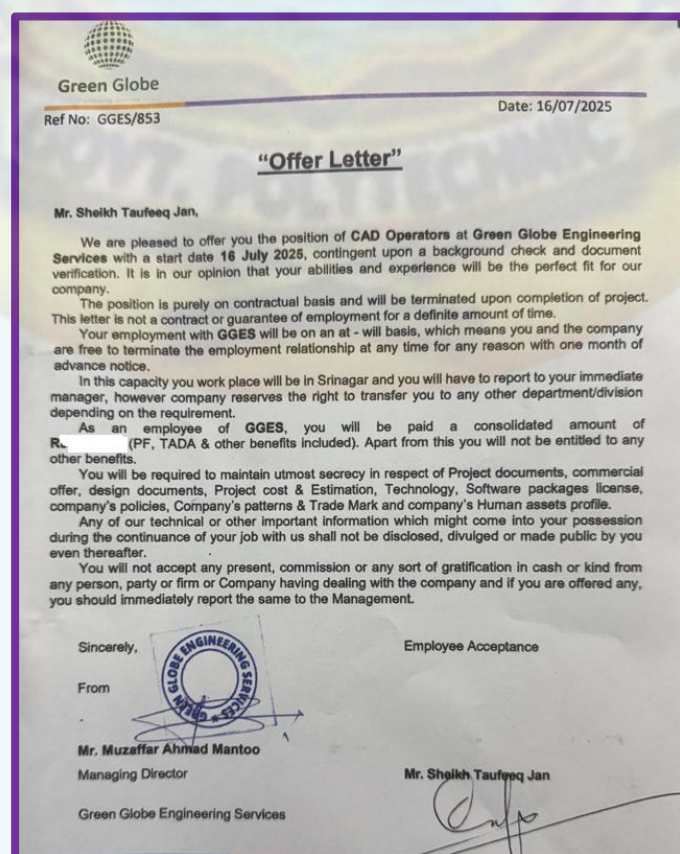

➤ **Students of Kashmir Government Polytechnic College are Actively Participating in the India Skills Competition 2025.**

Students of Kashmir Government Polytechnic College, Srinagar, are actively participating in the India Skills Competition 2025, showcasing their exceptional technical talents. This prestigious event provides a platform for students to compete and excel in various skill categories on a national stage.

The college takes pride in its student's dedication and enthusiasm, reflecting the institution's commitment to fostering practical skills and innovation.

➤ **Kashmir Government Polytechnic College Celebrates Student Placement at Green Globe Company.**

Kashmir Government Polytechnic College, Srinagar, is proud to announce the successful placement of one of its talented Electrical Engineering student in the Green Globe Company. This achievement underscores Institution's commitment to fostering excellence in technical education and preparing students for impactful careers in the industry.

An investment in knowledge
pays the best interest.

BENJAMIN FRANKLIN

**“Anyone who stops
learning is old. Whether
at twenty or eighty.
Anyone who keeps
learning stays young.”**

HENRY FORD
