Circular

Subject: ZERO-TOLERANCE Ban on All Tobacco Products on Campus.

Kashmir Government Polytechnic College Srinagar is imposing an absolute and unrelenting ban on all tobacco products across the entire college premises. This is to ensure the prohibition of the use of any smoking or chewing tobacco products, including but not limited to cigarettes, biris, gutkha, and paan masala. This measure is a direct response to the proven and catastrophic health hazards posed by these products and the unhygienic conditions they create on campus.

All students, teaching, and non-teaching staff are hereby ordered to cease and desist from using any tobacco products on campus with immediate effect. The SCA Committee, constituted vide office order no. 30 dated 23-06-2025, will enforce this ban with unrelenting rigour. Incharge SCA will be responsible for the collection of fine and overall monitoring.

Penalties for Violation:

- Any student found violating will be suspended from the institution followed by a disciplinary action under rules.
- Staff and Faculty members will face a mandatory fine of ₹500 and severe disciplinary action as per the rules.

In the interest of communal health and safety, a special recognition will be given to any individual who provides irrefutable evidence of a violation of this ban. All information will be kept strictly confidential.
