"SEVA PAKHWADA" Kicks Off at Kashmir Government Polytechnic College, Srinagar.

Kashmir Government Polytechnic College, Srinagar, today marked the commencement of **"SEVA PAKHWADA"** – an initiative dedicated to service, cleanliness, and skill enhancement from 17-09-2025 to 02-10-2025. Taking the lead in spearheading the event, Principal Dr. Shafquat Ara presided over the proceedings, inspiring students and faculty with her vision for holistic development.

The college organized a series of impactful activities on the inaugural day, focusing on awareness, pledges, and capacity-building programs to empower students and budding entrepreneurs under the Mission YUVA framework. Students from all branches actively participated in the event, showcasing widespread enthusiasm and commitment. HODs, in-charges, and faculty of the institution also participated in the events, contributing to the collaborative spirit.

The day began with the **Launch of SEVA PAKHWADA and Pledge on Seva & Swachhata**, led by Principal Dr. Shafquat Ara, where the pledge was taken by the faculty, staff, and students. This collective act highlighted the institution's commitment to fostering a culture of selfless service and environmental responsibility. This was followed by an **Inaugural Ceremony and Awareness Campaign**, where the detailed calendar of activities for the entire Pakhwada was explained to students. The session emphasized the importance of community engagement and personal development through structured initiatives.

A key highlight was a **two-hour awareness session on Entrepreneurship and Mission YUVA**, conducted for all students. The session underscored the mandatory enrollment in at least one course on the "SKILL LEARNING HUB" platform, with completion required by the end of SEVA PAKHWADA on 02-10-2025. Resource persons **Mr. Shabir Ahmad Ahangar, Lecturer-I, Computer Engineering**, and **Mr. Mohd Amin Wani, Lecturer-I, Electrical Engineering**, delivered in-depth insights into Mission YUVA's objectives, sharing practical strategies for entrepreneurial success.

Special attention was given to the **Mission YUVA Capacity Building** batch. The Participants of the batch received hands-on training sessions on various AI-based technologies and digital products, demonstrating their potential as game-changers for entrepreneurs in today's digital economy. These interactive modules, led by the aforementioned faculty, provided real-world applications to bridge the gap between theoretical knowledge and practical implementation.

Principal Dr. Shafquat Ara stated, "SEVA PAKHWADA is more than an event; it's a movement to instill values of service, innovation, and sustainability among our youth. Through Mission YUVA, we are not just educating Entrepreneurs but we are creating leaders who will drive socio-economic progress in Jammu and Kashmir."

The Institution encourages all stakeholders to actively participate in the upcoming calendar of activities, which will include workshops, cleanliness drives, and skill certification programs.
