Campus Placement Drive with Easa Saleh Al Gurg Group (UAE) Empowers Students at Kashmir Government Polytechnic College, Srinagar.

In a significant step towards bridging academia and industry, Kashmir Government Polytechnic College, Srinagar, hosted a dynamic campus recruitment drive today in collaboration with the renowned Easa Saleh Al Gurg Group (ESAG) from the United Arab Emirates. The event targeted fifth-semester students across various branches, offering promising career opportunities in a global conglomerate known for its diverse portfolio in retail, real estate, and technology sectors.

The delegation from ESAG kicked off the session by presenting an insightful overview of the company's profile, highlighting its legacy of excellence since 1960 and its expansive operations across the UAE and beyond. This was followed by a detailed exposition on job descriptions, encompassing attractive salary packages, comprehensive benefits, and a structured interview process designed to identify top talent. To streamline participation, the representatives shared a QR code for seamless online registration, which was promptly utilized by eager fifth-semester students.

Post-registration, a Computer-Based Test (CBT) aptitude exam was conducted for students from select branches, evaluating their technical acumen and problem-solving skills. This rigorous assessment paves the way for the subsequent interview rounds scheduled on 18-09-2025. The CBT for the remaining branches is set for 18-09-2025, immediately followed by interviews, ensuring an inclusive and efficient selection process. Offer letters will be extended to the selected candidates, marking a milestone in their professional journeys.

Principal Dr. Shafquat Ara, who graced the occasion, applauded the pivotal role played by Training and Placement Officer Mr. Mudasar Rashid in orchestrating the event. "Initiatives like this recruitment drive exemplify our commitment to equipping students with real-world opportunities. I commend Mr. Rashid's unwavering dedication in fostering these industry ties, which will undoubtedly propel our graduates towards successful careers on the global stage," stated Dr. Ara.

The drive underscores the college's robust Training and Placement Cell's efforts to align curriculum with market demands, preparing students for high-impact roles in international organizations.
