## **Special Session on Menstrual Hygiene Empowers Female Staff and Students at Kashmir Government Polytechnic College Srinagar: Breaking Taboos and Promoting Health Awareness.**

In a vital step toward promoting health education and breaking societal stigmas, Kashmir Government Polytechnic College Srinagar hosted a special session exclusively for female Staff and students staff today on 18-09-2025 in the Auditorium. The event, titled "Menstrual Hygiene: Awareness, Empowerment, and Well-Being," was expertly led by Principal Dr. Shafquat Ara, whose compassionate guidance created a safe space for open dialogue and learning.

The session, attended by over 150 participants, focused on essential topics such as menstrual health fundamentals, hygiene practices, myth-busting, and access to resources for managing periods effectively. Dr. Ara, celebrated for her advocacy in women's health and inclusive education, shared evidence-based insights and personal reflections from her career. "Empowering our young women with knowledge about menstrual hygiene is key to their confidence and overall well-being," Dr. Ara emphasized in her keynote address. "This session is more than education—it's about dismantling barriers and fostering a culture of openness and self-care."

Engaging activities featured expert demonstrations on sustainable hygiene products, interactive workshops, and Q&A forums, enabling participants to address concerns and share experiences. The vibrant discussions highlighted the College's dedication to comprehensive health education, empowering attendees to advocate for themselves and their peers.

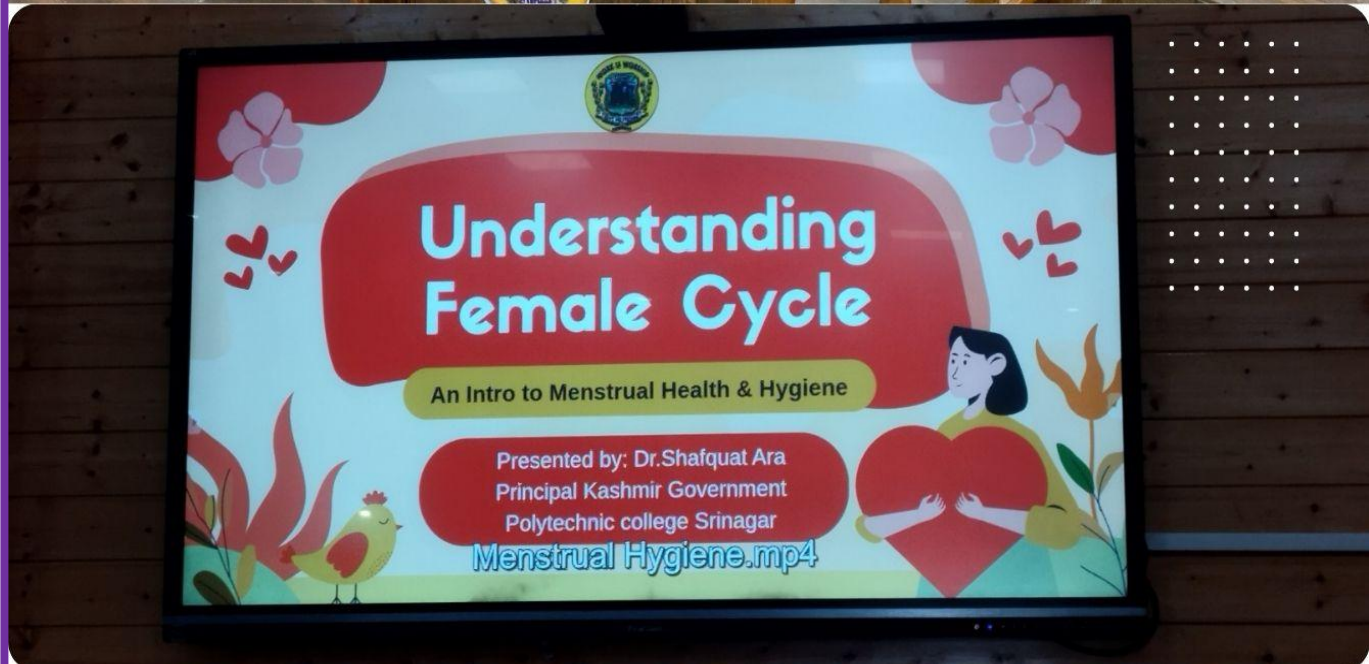

## Understanding Female Cycle

An Intro to Menstrual Health & Hygiene

## Awareness Camp and Interaction Program Ignites Entrepreneurial Spirit Among Unemployed Youth and Artisans at Kashmir Government Polytechnic College, Srinagar.

In a proactive step to bridge the gap between untapped talent and economic opportunities, Kashmir Government Polytechnic College Srinagar, in collaboration with the District Officer of J&K Khadi and Village Industries Board, organised a dynamic awareness camp cum interaction program today on 18-09-2025. The event, held in the College Auditorium, targeted unemployed youth, aspiring entrepreneurs, and local artisans, providing them with invaluable insights into skill development, funding avenues, and market linkages for sustainable livelihoods.

The program, attended by over 150 participants, featured expert sessions on government schemes for khadi and village industries, entrepreneurship training, and hands-on guidance for artisans to scale their crafts. Dignitaries from the J&K Khadi and Village Industries Board graced the occasion, sharing success stories and outlining support mechanisms like low-interest loans, marketing assistance, and certification programs. Principal Dr. Shafquat Ara, a staunch advocate for skill-based empowerment, was present throughout, actively engaging with attendees to underscore the College's role in fostering innovation and self-reliance.

"It is heartening to see such collaborative efforts bringing real change to our youth and artisans," said Dr. Shafquat Ara during the interactive Q&A segment. "Programs like this not only address unemployment but also preserve our rich cultural heritage through entrepreneurial ventures. We are committed to partnering with bodies like the Khadi Board to create more such platforms."

The day-long event included panel discussions, networking sessions, and on-site registration for scheme enrollments, culminating in a pledge by participants to explore entrepreneurial paths. This initiative reflects the growing synergy between educational institutions and government agencies in Jammu & Kashmir to promote inclusive economic growth.

## Day 2 of Campus Recruitment Drive Advances with Interviews at Kashmir Government Polytechnic College Srinagar: Paving Pathways to Global Careers.

Building on the momentum from yesterday's successful kickoff, Kashmir Government Polytechnic College Srinagar hosted Day 2 of its campus recruitment drive today in collaboration with the esteemed Easa Saleh Al Gurg Group (ESAG) from the United Arab Emirates. The focus of the day was on conducting the Computer-Based Test (CBT) for the remaining branches followed by in-depth interview processes, bringing fifth-semester students one step closer to exciting international job opportunities in sectors like retail, real estate, and technology.

The day's activities commenced with the CBT aptitude exams for students from the outstanding branches, rigorously assessing their technical skills and problem-solving abilities. This was seamlessly followed by personalized interview rounds, where ESAG representatives engaged with shortlisted candidates to evaluate their potential fit within the company's dynamic global operations. The structured process highlighted ESAG's commitment to talent acquisition, offering competitive salary packages, comprehensive benefits, and growth prospects in a legacy organization established in 1960.

Principal Dr. Shafquat Ara, who was present to oversee the proceedings, expressed her enthusiasm for the initiative. "Day 2 has been a testament to our students' preparedness and the strong industry-academia partnership we've cultivated. I extend my gratitude to Training and Placement Officer Mr. Mudasir Rashid for his meticulous coordination, which has enabled this seamless execution. These opportunities are crucial in empowering our graduates to thrive on the international stage," remarked Dr.Shafquat Ara.

The event saw enthusiastic participation from over 100 students, with the college's Training and Placement Cell ensuring a smooth and inclusive experience. This recruitment drive exemplifies the institution's dedication to aligning educational outcomes with market needs, fostering employability in a competitive global landscape.

The final results of the selection process is likely to be declared in the month of October-2025, with offer letters to be extended to successful candidates shortly thereafter.
