Kashmir Government Polytechnic College Hosts Awareness Program on India Skills 2025 on 22-09-2025.

Kashmir Government Polytechnic College, Srinagar, successfully organized an informative awareness program on India Skills 2025 today, fostering enthusiasm among faculty, staff, and students for this prestigious national skills competition.

The event saw active participation from the college's faculty members, staff, and a large number of students, who gathered to learn about opportunities in skill development and vocational excellence. The program aimed to highlight the importance of India Skills 2025, a platform that empowers young talents to showcase their abilities on a national and international stage.

Mr. Syed Tabasum Geelani, Officer on Special Duty at the J&K Skill Development Mission served as the official representative for India Skills 2025. With over a decade of experience in technical education since July 2009, Mr. Geelani is a key figure in promoting skill development initiatives in Jammu and Kashmir. He delivered an engaging PowerPoint presentation (PPT) that outlined the program's objectives, eligibility criteria, and participation process. His session provided valuable insights into how students can prepare and compete in various skill categories, emphasizing the role of such competitions in representing J&K on the national stage. Also present on the occasion was Mr. Hakim Ilyas from Government Polytechnic College for Women.

Principal Dr. Shafquat Ara addressed the gathering, underscoring the college's commitment to promoting skill-based education. "India Skills 2025 represents a tremendous opportunity for our students to hone their talents and contribute to the nation's growth. We are proud to host this program and encourage everyone to participate actively," she said.

The program concluded with interactive discussions, where participants expressed keen interest in registering for the upcoming competition.

Kashmir Government Polytechnic College Hosts Motivational Program on Wellness Industry & Entrepreneurship on 22-09-2025.

Kashmir Government Polytechnic College (KGP), Srinagar, organized an inspiring program today focused on the wellness industry and entrepreneurship, aimed at motivating students to pursue excellence in their studies and future careers.

The event, coordinated by Mr. Shiraz Khaki, a renowned Wellness Motivational Speaker and CEO of Youth Empowerment and Wellness, drew enthusiastic participation from students, faculty, and staff. With his extensive experience in the wellness sector, horticulture counseling, and as an expert in farmer advisory services, Mr. Khaki emphasized the importance of the wellness industry in today's economy. He is also associated with Amway World, where he serves as a Director promoting positive mental attitude, wellness products, and business entrepreneurship.

During the session, Mr. Khaki stressed the need for students to focus diligently on their studies while nurturing an entrepreneurial mindset. He urged them to aspire to become future entrepreneurs, highlighting how skills in wellness and related fields can lead to innovative business opportunities and self-reliance.

Mr. Khaki and his team conducted engaging demonstrations, showcasing practical aspects of the wellness industry, including product applications, health benefits, and entrepreneurial strategies.

Principal Shafquat Ara addressed the audience on this occasion, reinforcing the college's dedication to holistic student development. She commended Mr. Khaki's efforts and encouraged students to leverage such programs to bridge academic knowledge with real-world applications, preparing them for success in emerging industries like wellness and entrepreneurship.

The program concluded with a Q&A session, where students expressed interest in exploring wellness-related ventures.
