Message from Chief Editor's Desk

Unveiling the 27th Edition of Our Monthly Newsletter

Dear Valued Readers,

I am pleased to announce the release of the 27th edition of our monthly newsletter. This edition is packed with exciting news and updates that we hope you will find informative and engaging.

We are committed to providing you with high-quality content that is both relevant and interesting. As always, we welcome your feedback and suggestions for future editions.

Thank you for your continued support, and we hope you enjoy reading this latest edition of our newsletter.

With warm regards,

Dr. Shafquat Ara

Chief Editor

Kashmir Govt. Polytechnic College Newsletter "KGP Connect"

GLIMPSES OF ACHIEVEMENTS/NOTABLE ACTIVITIES FOR THE MONTH OF APRIL-2026

➤ **First Sessional Examinations for 2nd, 4th & 6th Semesters Conducted Successfully.**

The Institution successfully conducted the 1st Sessional Examinations for the 2nd, 4th, and 6th semesters from 06-04-2026. The examinations were held smoothly under strict supervision, maintaining proper discipline and adherence to academic guidelines. Students from all the respective semesters appeared for the exams with enthusiasm and sincerity.

➤ **88 Out of 101 Employees Successfully Complete Registration on the IGoT Karamyogi Portal.**

It is a matter of great satisfaction to announce that 88 employees out of a total of 101 have completed their registration on the IGoT Karamyogi Portal.

This significant achievement reflects the commitment and proactive approach of the employees towards capacity building and continuous learning under the Government of India's flagship mission.

Only 13 employees remain unregistered. The delay in their registration is solely due to technical issues related to non-working email accounts. The details of these employees have already been forwarded to the concerned authorities for immediate resolution of the email-related problems.

➤ Establishment of the Facilitation Centre for Diploma Admissions in the Computer Engineering Department.

The institution is pleased to announce the establishment of a Facilitation Centre in the Computer Engineering Department to assist students seeking admission to various Diploma programmes. The established Facilitation Centre is providing comprehensive guidance and hands-on support to aspiring students regarding the entire admission process.

Students are being assisted in understanding the admission guidelines and eligibility criteria, and are receiving step-by-step help in filling and submitting their online application forms.

Order No: 06 of 2026

Dated: 03-04-2026

SUBJECT: Establishment of Facilitation Centre for Online Admission Forms of Three-Year Diploma Programme.

It is notified for the information of all concerned that the admission process for the Three-Year Diploma Programme has commenced from the Board of Technical Education (BOTE). A large number of students are visiting the institution for guidance regarding the submission of online admission forms.

In order to facilitate the students and to provide them proper guidance, it is hereby directed that a Facilitation Centre for filling of online admission forms shall be established in the Computer Department with immediate effect.

Further, Dr. Aejaz Farooq and Dr. Neelam Saleem Khan are hereby nominated as Facilitators for the said centre. They shall help and guide the students in filling up the online admission forms.

The facilitators shall maintain a proper record/report of the students who visit the Facilitation Centre. The report should include the name of the student, parentage, contact number, course applied for, and any other relevant details.

This order shall come into force with immediate effect.

➤ **Networking of Programming Lab-2 and Upgradation of LAN Completed in the Department of Computer Engineering.**

The Department of Computer Engineering is delighted to announce the successful completion of the networking of Programming Lab-2. In addition, the existing LAN network of the department has also been fully upgraded to provide faster connectivity and support advanced practical requirements of students.

These infrastructural developments has significantly enhanced the quality of practical training and created a better learning environment for students in the field of Computer Engineering. These developments reflect the institution's strong commitment to providing state-of-the-art facilities to its students.

➤ **ITZ Electrical Kashmir Organises Awareness Session on On-Grid Solar Power on 11-04-2026.**

ITZ Electrical Kashmir organised a special awareness session on On-Grid Solar Power Systems, focusing on its importance and proper installation process in the Auditorium of the Institution on 11-04-2026.

The main objective of this session was to familiarise participants with the benefits, working, and installation procedures of On-Grid Solar Power Systems. The session helped students, faculty members, and other stakeholders understand how solar energy can be effectively utilised in the current scenario.

➤ **JKSSB Junior Assistant Written Examination Successfully Conducted in the Institution on 19-04-2026.**

The Jammu & Kashmir Services Selection Board (JKSSB) successfully conducted the Written Examination (OMR-based) for the post of Junior Assistant on 19th April 2026 in the Institution. The examination was held peacefully and in a smooth manner with strict adherence to all guidelines and protocols. The administration made elaborate arrangements for the smooth conduct of the examination, including adequate invigilation, security, and necessary facilities at all centres.

➤ Installation of Sanitary Napkin Vending Machines in the Institution.

In a significant step towards promoting menstrual hygiene and women's health, the institution has successfully installed Sanitary Napkin Vending Machines for the benefit of the female students and staff members.

These vending machines have been installed at strategic and convenient locations within the campus to ensure easy access.

The initiative aims to provide immediate availability of sanitary napkins in a dignified and hygienic manner, thereby supporting the overall well-being and comfort of the female community.

This student-friendly facility reflects the institution's strong commitment to gender sensitivity, health awareness, and creating a supportive environment for all female students and employees.

➤ **BOPEE B.Sc. Nursing & Paramedical Entrance Examination Successfully Conducted in the Institution.**

The Jammu & Kashmir Board of Professional Entrance Examinations (BOPEE) B.Sc. Nursing and Paramedical Entrance Test was successfully conducted on 26th April 2026 at our institution.

The examination was held in a smooth, peaceful, and well-organized manner. All necessary arrangements were made by the institution to ensure transparency, discipline, and comfort for the candidates appearing in the test.

Adequate invigilation, strict adherence to BOPEE guidelines, proper seating arrangements, and necessary facilities were provided at the centre. No untoward incident was reported during the conduct of the examination.

➤ **Series of PMIS Awareness Programmes Successfully Organized in the Institution.**

The institution has successfully organised a Series of PMIS Awareness Programmes to educate and motivate students about the Prime Minister's Internship Scheme (PMIS).

These awareness programmes were conducted with the objective of familiarizing students with the PMIS portal, registration process, eligibility criteria, internship benefits, monthly stipend, insurance coverage, and the overall opportunities available under this prestigious central government scheme.

During the series of sessions, students were given detailed guidance and hands-on support for registration. Faculty members actively addressed queries and motivated the students to take advantage of this golden opportunity for skill development and professional exposure.

PMIS AWARENESS AT KASHMIR GOVT POLYTECHNIC COLLEGE SRINAGAR

➤ **Students of PM SHRI Govt. BHSS Humhama Budgam Visit Kashmir Government Polytechnic College, Srinagar for Educational Exposure Tour on 27-04-2026.**

A group of approximately 100 students from PM SHRI Government Boys Higher Secondary School (BHSS) Humhama, Budgam, visited Kashmir Government Polytechnic College, Srinagar, on 27-04-2026, as part of an educational and industrial exposure tour for the students.

This initiative was part of the ongoing efforts from the Institution to spread awareness about the various polytechnic courses offered, the eligibility criteria for admission, and the excellent facilities available at the institution for the benefit of the students.

The students were divided into groups and toured all departments of the college. They explored the well-equipped laboratories across various branches of engineering, where faculty members and technical staff briefed them in detail about the different engineering disciplines, admission procedures, available facilities, and the practical applications of equipment and tools used in the labs.

The students displayed keen enthusiasm and excitement throughout the visit. They actively interacted with the faculty and expressed delight at the opportunity to experience the institution's state-of-the-art infrastructure and dynamic learning environment.
